## Certificate III in Individual Support (Disability)

### About this course

Make a meaningful difference in the lives of others as a disability support worker. Provide individual support to help your clients reach their full potential, engage with their community and pursue their personal goals.

Through a mixture of theory and practical course work, learn to:

- Help clients with domestic duties and personal care needs
- Help clients with their social and emotional health
- Aid clients to move safely from one area to another
- Assist clients navigate the NDIS system and gain access to other services
- Empower clients to feel independent and reach their goals
- Build relationships with carers and families

Graduates of this course will be highly sought-after in the personal care industry. The number of personal care workers employed is expected to grow very strongly and likely to reach 341, 800 by 2026 (source: Australian Government's Job Outlook service).

### Course outcomes

Gain practical experience and develop specialist skills that give you an advantage in the job market:

1. A nationally accredited qualification at Certificate III level, an entry ticket to the industry
2. The opportunity to establish a professional network with employers, colleagues, and other students
3. A strong pathway to further study in disability, aged care, nursing or community services

## Entry Requirements

No pre-requisite requirements for this qualification. Participants will be required to complete an enrolment application to identify if they meet the eligibility requirements for funding. Criteria will be discussed personally with the applicant.

## Entry Recommendations

To be prepared for this course, we recommend that you have:

- A passion for working with a diverse range of people
- The ability to multitask
- A reasonable level of fitness and flexibility to carry out manual handling
- Access to a computer and reliable internet connection

## Important information

This course contains content, concepts and scenarios that may be distressing to people who have experienced traumatic events. Please consider your personal resilience and any potential emotional triggers when participating in this qualification and in any future employment in this field.

## Course Fees

Please contact us to discuss individual circumstances.
