

COMMUNITY ARTS PROGRAM

The Community Arts Program welcomes anyone, from beginners to skilled artists. This program is for people who would like to express themselves in a safe and supportive environment.

The focus is on the therapeutic process of creating art, rather than the result and skill level, removing any pressure to join and participate.

The program encourages participants to "have a go" as well as the opportunity to engage in group collaborative pieces.

A group **Art Exhibition** will be the central goal for all group members to have the opportunity to be a part of the broader arts community!
